Prevention and Recovery Services was incorporated in 1965 under the name of National Council on Alcoholism, Topeka Division. In July of 1993, the Board of Directors voted to change our name to Shawnee Regional Prevention and Recovery Services. Our new name is more descriptive of our mission [shortened to Prevention and Recovery Services (PARS) for easier recognition purposes.]

PARS continues to serve Shawnee County as one of thirteen regional prevention centers in the state whose mission is to work with our community to reduce risk factors and strengthen protective factors that influence alcohol and other drug abuse.

PARS' Youth and Family Programs offer hope to hundreds of children, young people and families who are adversely affected by alcohol and other drug abuse. Skilled counselors facilitate groups for at-risk children and young people, as well as facilitate workshops and participate in community coalitions to reduce risk factors and strengthen protective factors that influence alcohol and other drug abuse.

If you would like more information about the services we provide, please call us at (785) 266-8666.
